Join the National Council of Teachers of Mathematics

I. The National Council of Teachers of Mathematics carries on its work through two publications.

1. *The Mathematics Teacher*. Published monthly *except in June, July, August and September*. It is the only magazine in America dealing exclusively with the teaching of mathematics in elementary and secondary schools. Membership (for \$2) entitles one to receive the magazine free.

2. *The National Council Yearbooks*. The first and second yearbooks are now out of print. The third on "Selected Topics in Teaching Mathematics," the fourth on "Significant Changes and Trends in the Teaching of Mathematics Throughout the World Since 1910," the fifth on "The Teaching of Geometry," the sixth on "Mathematics in Modern Life," the seventh on "The Teaching of Algebra," the eighth on "The Teaching of Mathematics in Secondary Schools," the ninth on "Relational and Functional Thinking in Mathematics," the tenth on "The Teaching of Arithmetic," the eleventh on "The Place of Mathematics in Modern Education," the twelfth on "Approximate Computation," the thirteenth on "The Nature of Proof," the fourteenth on "The Training of Mathematics Teachers for Secondary Schools," the fifteenth on "The Place of Mathematics in Secondary Education," the sixteenth on "Arithmetic in General Education,"—may be obtained postpaid for \$1.75 each. The seventeenth yearbook, "A Source Book of Mathematical Applications" may be had for \$2 postpaid (bound volumes), from the Bureau of Publications, Teachers College, 525 West 120th Street, New York City. All of the yearbooks except the first two (3 to 17 inclusive) may be had for \$20 postpaid.

II. The Editorial Committee of the above publications is W. D. Reeve of Teachers College, Columbia University, New York, Editor-in-Chief; Dr. Vera Sanford, of the State Normal School, Oneonta, N.Y.; and W. S. Schlauch of Hasbrouck Heights, N.J.
